

APPLICATION FORM

Minimum eligibility criteria

In order to be eligible for an internship, applicants must:

- Be studying or have completed a graduate (masters) or post-graduate (PhD) program.
- Be willing and able to intern on a full-time basis spending five days a week for a minimum period of three months.
- Be able to read, speak and understand Spanish at an intermediate level. Please note that non-native speakers will be required to demonstrate their proficiency in a phone interview in Spanish.

Please include the following with the completed application form.

- **Cover letter** explaining the relationship between your academic training, work experience and the internship with Natura you are applying for. Please be specific.
- **Updated CV**
- **Phone number or email** from a tutor or professor who can act as personal reference

Instructions

1. Please read the questions carefully.
2. Answer each question clearly and completely.

APPLICATION DEADLINE: 28 FEBRUARY 2011

Please note, all applications received by February 28 will be reviewed together: future applications will be reviewed if there is space in the program, but only as secondary priorities once the first round has been processed.
